

Licensing and Certification: Agencies typically have regulations denying licensure or certification to anyone who has been convicted of a felony, most especially one which reflects an offense which would be a cause for disciplinary action if committed by one already holding the license. Please contact the licensing board in the state you plan to license for clarification of how a conviction may affect licensing. This clarification should be done before the application for admission to this program is submitted.

License Eligibility

I am aware that a criminal background may limit my ability to obtain student liability insurance required for practicum, may limit my practicum site options or prevent me from securing a practicum placement, and may interfere with or prevent me from applying for or obtaining licensure.

I have read, fully understand, and agree to the above criminal background statements.
