

## Undergraduate Admission Option Two Expectations

Students who become admitted under Option Two will be assigned to a designated Academic Advisor who will guide them through the following expectations.

- Students in term-based academic programs:
  - Students will take no more than one course during each of their first two sessions of coursework. One of those two courses must be LBSU 100 (Student Success Strategies).
  - Students will be expected to meet weekly with an Online Writing Tutor while enrolled in ENGU 103 and ENGU 104 at University of Massachusetts Global and will be expected to meet weekly with an Online Math Tutor while enrolled in MATU 103 and/or MATU 203 at University of Massachusetts Global.
    - The student will be exempt from this expectation for any of these courses completed elsewhere with a satisfactory grade and transferred into University of Massachusetts Global.
  
- Students in MyPath self-paced academic programs:
  - Students will be required to enroll in and complete LBSC 100 (Student Success Strategies) within their first six months of competency coursework.
  - Students will be expected to meet with an Online Writing Tutor prior to completing each milestone while enrolled in ENGC 103 and ENGC 104 at University of Massachusetts Global and will be expected to meet with an Online Math Tutor prior to completing each milestone while enrolled in MATC 103 and/or MATC 203 at University of Massachusetts Global.
    - The student will be exempt from this expectation for any of these courses or competencies completed elsewhere with a satisfactory grade and transferred into University of Massachusetts Global.
